

Let's go shopping – Lösung

After school Robbie goes to the market. He wants to buy something for lunch and dinner for the next day.

Listen to the dialogue and complete the sentences.

1. Robbie wants to buy four things: **carrots**

(a bottle of) milk

tea

(a bottle of) orange juice

2. The carrots are **one / 1** £.

3. At the end, Robbie **pays five / 5** £.
